REAL WEDDING SUBMISSION GUIDELINES

Description: Real Weddings are one-page features that profile weddings planned, coordinated, and executed by Association of Bridal Consultant (ABC) members.

Eligibility: Submissions will be accepted from ABC members in good standing.

Requirements: You must **complete this questionnaire** and return it by the given deadline to be considered for publication. All weddings must have occurred within a year of the publication print date. Preference will be given to weddings that involve multiple ABC member businesses and have not been previously published. Submissions do not guarantee publication, which is dependent on quality, deadlines, editorial and space needs. You will be notified within six months of your submission whether or not it was accepted for possible publication. **Professional photography (at least 10 images)** must be included. Credit will be given to the photographer.
